DECLARATION OF \_\_\_\_\_  
*name*

Under penalty of perjury, I declare as follows:

1. My name is \_\_\_\_\_. I am a member of Blue Ridge Environmental Defense League

2. I live at \_\_\_\_\_.

My home lies within \_\_\_\_\_ miles of the Savannah River Site in South Carolina which is owned by the United States Department of Energy and for which Shaw AREVA MOX Services has applied for a U.S. Nuclear Regulatory Commission license to operate a plutonium fuel fabrication facility.

3. I believe that the factory would be inherently dangerous. Transportation of uranium and plutonium and radioactive waste would result in thousands of truck shipments. The plant would emit radioactive pollutants during normal operation.

4. Construction of the plutonium factory so close to my home could pose a grave risk to my health and safety. In particular, I am concerned that if an accident involving atmospheric release of radiological material were to occur, I could be killed or become very ill.

5. Therefore, I have authorized Blue Ridge Environmental Defense League to represent my interests in this proceeding by opposing the issuance of an operating license to Shaw AREVA MOX Services.
