

# Write to President Obama

## Let him know why you oppose Georgia Power's plans to expand Plant Vogtle

Shell Bluff Concerned Citizens who live in the shadow of Plant Vogtle ask that all residents of Burke County let the President know about this injustice.

We believe that President Obama should hear from us directly.

We believe that President Obama will hear our plea.

**You can call or write to the President in many ways.**

Dear President Obama,  
I write to tell you why I oppose the  
building of more nuclear reactors at  
Plant Vogtle. I live in Burke County...
