

# **Medical Waste Incinerator Closed Down!**

**Campaign Victory Declared by Blue Ridge Environmental Defense League and  
our chapter Citizens for a Healthy Environment**

**Public education, community determination and direct action  
defeat bureaucratic inertia, financial influence and political pressure**

*BMWNC is closed!* A May 11, 2011 letter to Mecklenburg County's air permit chief from incinerator manager Lewis Renfro states the company has "ceased operations at the incineration facility in Matthews, NC and has begun the process of decommissioning the site."
